Conquering The Great Indoors

To keep Scouts engaged during the shelter in place, the council hosted Conquering the Great Indoors virtual Bingo. Scouts were invited to download the appropriate bingo card. Cards were designed for Cub Scouts, Scouts BSA and volunteers. All were encouraged to participate and to share with friends and family. Everyone with a completed Bingo card earns a special patch immortalizing their ability to continue to stay active in Scouting during this unique time in history. Completed Bingo cards and patch orders were due by June 15th.

Restart Scouting Checklist

As always, the safety of our Scouts, volunteers, employees and communities is our top priority. This checklist outlines several minimum guiding protocols that adult leaders/volunteers must consider while working with local and state health departments, local councils, chartered organizations and Scouting families on when and how to resume meetings, service projects, camping and all other official Scouting Activities.
