Introduction to outdoor Leader Skills

This training is to teach you the outdoor skills that a Scout needs to achieve the rank of First Class. It also makes you comfortable teaching these skills to Scouts, WEBELOS scouts or Crew members so that they may participate in the BSA Outdoor Program. This Training is available only in-person.

Scoutmasters and Assistants must complete this training along with Scoutmaster Position-Specific Training, Youth Protection Training, and Hazardous Weather Training to meet the "TRAINED" requirements for these positions.

Venturing Advisors and Associates, Troop, and Crew Committee Members, Interested Adults, and Parents are also invited to attend this training to learn these skills.

The knowledge to teach and pass along these outdoor skills are important for all Scout Leaders.
