

# *Take Order Distribution Site for All Rio del Oro and Sierra Valley Units*

Cummins Contracting & Supply  
1030 Kansas Ave, Modesto

## **From 99 North (southbound):**

Take Kansas exit off of 99 (prior exit is Briggsmore/Carpenter).

Turn right onto Kansas Ave.

After going through intersection at N. Emerald go approx. 250 ft; turn left into drive/parking area on East side of building, drive to the back of the building where product will be distributed.

## **From Hwy 132:**

As you come into Modesto, turn left at Carpenter.

Turn right onto Kansas Ave.

After passing Lone Palm on your left, look for Cummins Contracting building on your right.

Turn into drive just past the building, drive around to back where product will be distributed.

## **From 99 South (northbound):**

Take Kansas exit off of 99 (prior exit is Central Modesto Exit).

Turn left onto Kansas Ave.

After crossing overpass (stay to your left when lane splits), go through first light. After going through intersection at N. Emerald go approx. 250 ft; turn left into drive/parking area on East side of building, drive to the back of the building where product will be distributed.
