BSA Youth Protection Mission Statement

True youth protection can be achieved only through the focused commitment of everyone in Scouting. It is the mission of Youth Protection volunteers and professionals to work within the Boy Scouts of America to maintain a culture of Youth Protection awareness and safety at the national, regional, area, council, district, and unit levels.

The Boy Scouts of America places the greatest importance on creating the most secure environment possible for our youth members. To maintain such an environment, the BSA developed numerous procedural and leadership selection policies and provides parents and leaders with resources for the Cub Scout, Boy Scout, and Venturing programs. One of those is, all leaders must take the new Youth Protection Training before October 1, 2018 (even if they have taken the previous version within the last 2 years).
